## More information

**Bookings are essential for all training.** Please ensure you contact the training provider to determine if the training is right for you. It is important to select training that meets both your professional and personal needs. Some training may not be suitable for people recently bereaved by suicide.

This calendar has been compiled by the Perth Metro Suicide Prevention Coordinator (SPC) Team at Neami National. It is circulated to a distribution list via email and is available on the SPC page of the Neami National website [here](#). If you would like to be added to the distribution list or have training included on this calendar, please contact the SPC team at [spc.metro@neaminational.org.au](mailto:spc.metro@neaminational.org.au).

This training calendar is not exhaustive and there is other suicide prevention training available in Perth. Inclusion of information in this document does not constitute endorsement of training, or any associated organisation, product or service by Neami National.
